

Calendar Competition 2014

Do you have a favourite scene of Rugby?
Is there a stunning view from your window?
Enter our competition for the chance
to get that view printed in the official
2014 Rugby Calendar!

Now in its third year, the Rugby Visitor Centre Calendar Competition promises to be more popular than ever! Do you know a view of Rugby or the borough that everybody needs to see?

We are looking for 12 photographs (one for each month including the front cover) that reflect what the borough means to you.

A selection panel will choose their favourites from your submissions, and these will be used in the official Rugby Calendar for 2014. Not only that, but all entries, whether you are a winner or not, will be displayed in a special exhibition running in the Floor One Gallery in Rugby Art Gallery during September 2013, when the calendar will be available to buy. The winning entries will also receive a complimentary copy of the calendar. Max Spielmann are also sponsoring a prize, with one overall winner receiving a 30" x 40" Gallery Canvas (to have any image printed on) and 200 7" x 5" prints.

The closing date is 15th July 2013

The competition is open now!

Application forms are available from Rugby Visitor Centre, the Town Hall, Max Spielmann or www.enjoyrugby.co.uk
