

Novice Competitions

With effect from start of the season 4th September 2013, the current Novice Competitions will cease and be incorporated into revised two section Merit Competitions.

The two sections would be 'Novice' and 'Advanced'. The Merit Competitions would be run as now but with 4 defined competitions in each of the 3 rounds : Novice Print, Advanced Print, Novice PDI and Advanced PDI.

Each entrant's score in a competition (1st-10pts, 2nd-8pts, 3rd-6pts, HC-4pts, C-2pts) will be aggregated over the 3 rounds of the corresponding competition. Before the first round each entrant will have to specify which section they wish to compete in, excepting that any member who has already got their name engraved on a trophy will automatically be entered into the Advanced Competitions. Non trophy winners will have a choice of which section they wish to enter.

This will be a 1 year trial of this new arrangement and we hope to get members feedback at the AGM.
